CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

To be valid, the form of proxy must be completed in accordance with the instructions printed thereon and deposited, together with power of attorney or other authority (if any) under which it is signed or a notarially certified copy of that power of attorney or authority, at the Company's branch share registrar of the Company in Hong Kong, Hong Kong Registrars Limited, at 46/F., Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong not later than 48 hours before the time appointed for the holding of the AGM or any adjournment thereof. By Order of the Board
ITE (Holdings) Limited
Lau Hon Kwong, Vincent
Chairman

This is an explanatory statement given to Shareholders of the Company relating to the Resolution 4B to be proposed at the AGM authorising the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 13.08 of the GEM Listing Rules which is set out as follows:

1. Share Capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 905,568,000 Shares.

Subject to the passing of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase Shares up to a maximum of 90,556,800 Shares representing not more than 10% of the share capital of the Company in issue as at the Latest Practicable Date, during the period from the date of passing of the resolution for the approval of the Repurchase Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the articles of association of the Company or any other applicable laws of the Cayman Islands to be held; or (iii) the revocation or variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

2. Reasons for Repurchase

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interest of the Company and its Shareholders for the Directors to have general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. Funding of Repurchase

The Company is empowered by its memorandum and articles of association to repurchase its Shares. The Cayman Islands law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on redemption may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium of the Company. Under the Cayman Islands law, the repurchased Shares will remain part of the authorised but unissued share capital.

In repurchasing any Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the applicable laws and regulations of the Cayman Islands. The Company may not purchase securities on the GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 March 2009) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. Share Prices

The highest and lowest prices at which the Shares have traded on the Stock Exchange in each of the previous twelve months before the Latest Practicable Date are as follows:

	Price Per Share	
	Highest HK\$	Lowest HK\$
2008		
June	0.102	0.070
July	0.086	0.063
August	0.080	0.045
September	0.080	0.040
October	0.064	0.040
November	0.043	0.031
December	0.042	0.042
2009		
January	0.043	0.043
February	0.042	0.031
March	0.040	0.035
April	0.050	0.048
May	0.071	0.060
June (up to the Latest Practicable Date)	0.081	0.060

* There was no trading of Shares during the month.

5. Undertaking

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their associates (as defined in the GEM Listing Rules), have any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such resolution is approved by the Shareholders.

No connected persons (as defined in the GEM Listing Rules) of the Company has notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

6. Takeovers Code

If, as a result of a shares repurchase, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, the register of Shareholders maintained by the Company pursuant to Section 336 of the Securities and Futures Ordinance showed that the Company has been notified of the following interests, being 5% or more of the Company's issued share capital:

Name of Shareholders	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if the Repurchase Mandate is exercised in full
Rax-Comm (BVI) Limited	456,250,348	50.38%	55.98%
George Roger Manho	83,142,254	9.18%	10.20%

In the event that the Directors shall exercise in full the Repurchase Mandate, the total interests of the above Shareholders would be increased to approximately the respective percentages shown in the last column above and such increase will not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeover Code.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate to repurchase shares. If the Directors exercise the Repurchase Mandate (whether in whole or in part), they will not exercise it to the extent which would result in the number of Shares being held by the public falling below the relevant minimum prescribed percentage of the Company as required by the GEM Listing Rules, which is 25% of the entire issued share capital of the Company.

7. Share Repurchases made by the Company

During the six months preceding the Latest Practicable Date, the Company has purchased through the Stock Exchange 416,000 ordinary shares at price of HK\$0.035 per share which were then cancelled. Details of which are set out below:

Date of purchase	Number of ordinary shares repurchased	Price per share	
		Highest <i>HK\$</i>	Lowest <i>HK\$</i>
20 February 2009	100,000	0.035	0.035
13 March 2009	296,000	0.035	0.035
19 March 2009	<u>20,000</u>	0.035	0.035
	<u><u>416,000</u></u>
